14 Monday. Snowed nearly all day. Ella did the washing.

Vernon made a snow fence today. Israel Good brought 4 pigs to kill and Walter dressed one tonight.

15 Tuesday. Fair and cold with snowflurries. Walter killed the other three pigs of Israel Good and made oceans of lard, sausage, etc.

16 Wednesday. Fine day. Walter & Ella left at 10 a.m. for a day's outing. They called at Dad Krauter's and Lincoln Weaser's and had their dinner at Colson Jefferson's and did Christmas shopping this pm.

17 Thursday. Cloudy, windy and quite mild. Walter butchered 2 pigs here today for Clayton Playford and Dave Robinson. Noah Miller visited the men and was here for dinner. We all went to the Creekbank School concert tonight and it was very good. This was Esther's first entertainment.
