JANUARY TUESDAY 3 (3-362) 1922

Very cold day Will Monaughan and I worked on the Ice saw most of today Charlie Ross and family here allnight tonight we visited until quite late.

WEDNESDAY 4 (4-361)

some warmer today I filed up the saw in the forenoon and Will Monoughan and I took the Machine down to Lee and tried it out in the afternoon snowed very hard over to Office in the evening Charlie Ross and family went home on Stage this Morning

JANUARY THURSDAY 5 (5-360) 1922

fine day but very windy I cleaned some of the ice off the steps and sidewalk in the forenoon and cleaned up my Engine in the afternoon over to Jim Simpsons. Store for a while in the evening.

Epiphany (Quebec) FRIDAY 6 (6-359)

fine day but cloudy around Village in the forenoon Will Monoughan to a arbor to Battersea to get turned down for our ice saw in the afternoon I took the team and went down to Geralds and got a load of straw. over to Office in the Evening
