

Monday May 16, 1921.

I attended Council meeting at the Town Hall.

Roy delivered mail with the team
The day was fine.

Tuesday May 17, 1921.

Joe Brown and partner came here on the first car and went to Earl's to see the ditches.

I went down after them and then came back for the mail.

They agreed to do the ditching at the Engineer's estimate.

I went to Mr. Laren's and had the tung shoes put on the horses.

The day was fine and the roads are good.

Wednesday May 18, 1921.

I delivered mail on the whole route Dick and Gip.

Roy worked at making a tongue for the manure spreader.

Mr. English worked at preparing corn ground.
