141 DAYS PAST

224 TO COME

Personal Experience.

A physician (lady) of Newcastle, Eng., writes: "The sample of Pepto-Mangan (Gude) recently sent here was tried in my case, for anemia, and I derived very great benefit from it."

Weather

Temp.

Girls wheeled to school
John helped on the cow
ground. I put the sections
on the hives. Eugene was
down to sheds to see the
new records played.
