Cloudy not very frosty rime on trees. Mr
McVicar preached in A.M. from Luke 22:61
and in evening 1 Kings 19: 44 middle class school 25

14

Monday

Misty rainy day rainy like. We took
1674 lbs pig chop down to Wilsons in A.M.
and in P.M. I took load turnips from
field up to station to Beharis then brought up
chop on up then brought over load calls from pit
We all drove down at night Bella and I
went to C.E. convention held in St Andrews
at night. Dr Gale of Corea gave lecture on
Coreans. Willie and May went home then
drove us up again. B. Shotton took sheep to-day

15

Tuesday

Frostier to-day cloudy snowing a little
a little stormy. We spread 5 loads manure
on No 1 and brought in some corn in A.M.
In P.M. we went to Elora with Jess
in cutter got 11 tread power wheels cast at
Bissells with 1.65 and put them on in place of
ones that were worn on one side.

1.65

16

Wednesday

Fine day. We cut corn and took currier
saw apart in A.M. In P.M. I took saw
down to Uncle Jim to get sharpened then went to
J. Beattie's office where James Caldwell and
I audited church books. Mrs Quairie and
Lizzie Mc Donald up for tea
