

October, 1928

19 Friday. Dreary drizzly miserable day. Vernon plowed this morning and this p.m. they both helped to cut corn at Sam. Bird's.

20 Saturday. Showery. Noah Miller spent the forenoon here. The men were both helping with the corn at Sam. Bird's this afternoon.

21 Sunday. Lovely day.

We had our Harvest Home at Woolwich today. Rev. Frye of Cleveland, Ohio preached an excellent sermon. The Jubilee Quartette sang several numbers and Mr. Maynard Halimaw played two selections on a hand-saw which were very good. Our company for tea - Mr. & Mrs. August Weber, Mr. & Mrs. Norman Snyder, Mr. & Mrs. Ezra Maurer, Mr. & Mrs. Wilfred Underwood, Mrs. Harold Hebel and Glenn, Muriel Klem and Char. Miller.
