

[illegible]

16th Decr. - A
that I saw & found the migration began to have the scent
of both the water and the air. The day turned
very awful warm today I loaded in now made
the road of hay eaten the weeds around the water

Mr James Emmert's Place May 27th 1872
Weighing the Wool and Putting Thomas in Bags
Donald McGregor here for the colts
taking them up to Clark's Place. Mr
Bastie here went to Lancaster to a
broker from him fixing the fence on the
Ritt Point the other Sheep Dred drew
her to the Backwash 28th fixing the
fence 29th Royal Oak. My Rob Summers
came home very poorly cutting Boush Back of
house 30th Went to home with Thomas share
of the Wool gave him a dollar for the skins
gave me 20 cents Back went up to
Mr McGregor's lot 3 Bags of Potatoes
took dinner drew the Potatoes for me to the
River William M^r Locks Building going
up the frame of it to day got my Boots
from Pace Ploudeau I did not charge me
for them A. Baker at Hogsburg a Talk of
Polborn I want being married last Sunday to
Wright's Daughter at North Covington the Enterprise
aground Night opposite Donald McGregor's up above Hopkin
Corpus Christie to day a fine day went to night to Fish got 15-8
