## Thursday

Very frosty last night cloudy and sunny  
 with dense snow flurries at times. We  
 took Uncle Jim's buggy and Peter Hamilton  
 scuder over to other barn and brought  
 over load hay in a.m. In P.M. we  
 both plowed No 5 got finished what we  
 first intended plowing but made new fearing  
 to plow over to centre drain outlet.  
 We put all the cattle in tonight first time.

## Friday

Very hard frost last night mostly cloudy  
 to-day thawing a little a.m. I killed a  
 lamb to-day 86 lbs @ 3 1/2 \$3.00. We  
 both plowed No 5 a.m. and Willie plowed P.M.  
 got finished all but a few rounds top headland.  
 I went to Robt Morris side P.M. pro alpamps auction  
 Willie drove home at night for papers on  
 way back collided with buggy  
 driven by Jack Muir and bent axle broke  
 shaft etc. Muir's shafts were whiffletree was broken  
 Walter Linn was getting ride up with Willie
