7th Dolly & Bessie came out at night to spend Sunday.

June 9th

Good Friday (Domingo)

This was the day of our S.S. Convention at the Methodist Church, St. George. It was a fine day and the reports as well as the Speakers were fine. Earl Collins was presented with a Life Membership Certificate to the Ant. Pro. Soc. as well as a handsome Bouquet of Congratulations.

11th Queen had a nice little colt this morning.

13 - Leslie Powell came up for a visit on his way home from France, a very heavy thunderstorm in afternoon.

14 - Started to plant potatoes on top of north ^{hill} field. Mr & Mrs Tesple of Brantford came out for the day.

15 - Mr & Mrs Burpe of St. George called for us and took us to Millbank with them in their auto.

16 - Finished planting potatoes, about $1\frac{1}{2}$ acres, 4 rows of Irish Collier to south side, $18\frac{1}{2}$ rows Queen Mountain New Pot. Seed, 8 rows of G. M. and the rest of Sir Walter Raleigh.

18 - Jim Sharpe wedding-day, a very fine day, the wedding was in the Church and there was a large attendance of guests, who afterwards went to Mr & Mrs Fraser where a dainty lunch & ice cream were served.

19 - Sowed nearly two acres of turnips on top of north-hill.

20 - Borrowed P. Cunningham's cultivator with discs for the mangels.

21 - Thinned the mangels at foot of north-hill, the rain had washed them out badly.

23 - Took high wagon down to wagon works St. George

to get the wheels cut down, with new tires & rims.

26 - Sowed about an acre of corn on top of north-hill

27 - Sowed the white turnips and a few more revolutionary
