

Cleaned out root house in forenoon.  
 Da pulling weeds in afternoon and Broct  
 to tery in afternoon for waggon.  
 Got bag of flour and some roofing.  
 Heavy down pour in morning and  
 another heavy shower at noon. Then brighter

TUESDAY, 19

(231-134)

Grinding knives in morning. Then working  
 at ditch in afternoon.  
 Dull morning. rained through night. Shower  
 about noon and again at two. Then very  
 fine and breezy rest of day.

WEDNESDAY, 20

(232-133)

Cutting grain back by ditch and in afternoon  
 finished the other piece next bush and Jack's  
 line fence. Da shocking.  
 Broct & I took Evelyn to town.

Fine warm day.

Ploughing a strip for rape on other side of turnips  
 in morning until it was dry enough to cut.
