I went right back to Mrs. Yellands
Monday 21

Louise + Ernie + family

Stopped in on their way up to her
Father's Sunday. He painted the
veranda and I started the
kitchen chairs. We went to town
for gas and then down to Mary's
for some Apples. I took dad
out town before sunner to get
Topsy after she was shod. Mrs.
Lindsay was here trying to sell
cars. A very warm day.
