

Done chores and ploughed, cultivated, rolled, and harrowed ground for mangels.

Sowed them in afternoon. Pa picking up cow gone laid down by bush after he had the ridges set up.

A very sultry hot day. extreme heat.

Pa Cultivated and sowed another wet spot that was left. Brock planted a few potatoes in garden and chopping.

Washed the sheep in afternoon. Started to plough in corner field about five o'clock.

Larry Booth here.

Fine and very hot.

Ploughing in corner field
Lau Booth came for 5 bags of potatoes.
Back to town at night.

Very sultry hot day. thunder in evg.
