

- May 17 sowed 1/2 lb of carrot seed on the piece east of the
planned part of the potato ground & sowed very early
- 18 finished plowing the potato ground & dragging ready to
furrow out avoided a meeting of the trustees to come
the graduation of the school house this ^{as a special meeting} Sunday morning
no meeting to day fine steady rain all day ^{came}
- 20 got the horses shod & drew some rocks to the middle
fence north field they were taken away last night
- 21 worked at the fence & settled with P. Bear paid
him 15 dollars & 60 cents fine growing time
- 22 finished the fence in the forenoon sowed about 1/2
barrel of plaster on the field below ^{the house}
- rain 23 fine rain last night & this morning H. & Thos. ^{the} ^{young} helped me to turn up part of the middle fence
in the north field fine growing time made
24 worked the sheep Samuel Johnson & son helped
me finish part of the fence in the eve
- 25 attended a school meeting as trustee to select
a new site or see if the people will build
let me have the foundation is bad they voted to
hill 16 for the hill 13 for the lot at the ^{station} ^{morning}
- 26 the Rev. Mr. Weine preached in the school house this
- 27 planted better than two poils of the Early Rose
potato in the garden & four half rows of sweet corn
near the path & house & the rest of the row ^{corn} in common
in the forenoon heavy rain then tried to plow the ground ^{which}
- 28 cut some potatoes went & laid out the foundation of
the school house on the hill the ground is very wet
- rain 29 boxed & made a pair of barbunks
- 30 made another barbunk can do very little
there is rain almost every day
- 31 drew a load of stones for Mr. Thompson that
load there was 2 loads
