

Nov 1

Dan cleared out the furnace when
he returned on the Saturday

2

we went to plowing, moleh in 11 m. later
there was only thin places it was a very
place for it and a cold raw wind

3

Dan plowed and scraped a short ditch
in the p. back of the old Barn & put it

4

R. & M. have plowed this morning.

5

Dan plowed in field below the house
I worked at the hen house clearing some of the
old ground away it is bursting out the sides

6

Dan is plowing I went to funeral of Mrs. H. A.
Armstrong She was buried at the Elway Church
Rev. M. Craig preached there was a large funeral

7

Dan plowed & cleared out the quarry we
expect the tender to come on Friday

8

Dan plowed I fixed some ground for the
house the south side of it all come out

9

The same boys came this morning to thresh
in the field the fall & spring wheat there
about 40 bushels of fall and ~~about~~ of spring

10

Benjamin & his party to the 163 Daniel
has a good snow & a good wind
a little snow in the morning
Dad & I went to the mill to get flour

11

Dad & I plowed the new field & got
a good snow & a good wind

12

Dad & I plowed the new field & got
a good snow & a good wind

13

Dad & I plowed the new field & got
a good snow & a good wind

14

The snow is 5 inches deep this morning Dan drove
let the Ram two loads of dung from the barn at the Road
with the sheep
Dan & I went to Gananoque with the wool & 3 bags of
300 lbs to John
- took some peas & rats got upon for the wool paid \$3.30 for Spitz

15

Dan drove more dung snowed 6 inches more
last night cold with high winds

16

Dan drove 2 loads of wood from the Can &
from the road is good I went to Fairport with
Mr. Shaw to a meeting of the Session & a meeting of the
