294 DAYS PAST

SUNDAY

72 TO COME

Feb. 12, 1907.

Dr. H. W. Painter, North Haven, Conn., says:

"Having used the sample sent me of Pepto-Mangan (Gude) in personal recovery from the Grippe, I consider it far the best tonic ever used."

Pepto-Mangan (Gude) builds rich new blood.

Went to church & right & heard
the jubilee singers. Mella
was up & Aunt Bells for
dinner. Eugene & Aleta
was there. Maudie wasn't
well enough to go. Found
d old hen & some little
chickens. Five of them,
