

Dec 8th. Cold today
down to 12 ~~deg~~ from
Zero - not doing much
now.

Dec 9th - Sunday cool,
all day alone, trying
out a Mercury Radio
does not seem to work
seems to be on account
of the power it goes
up and down all the time
just all the lights and
a toaster on and it stopped
Charlotte & Alan
have chicken pox now -

Dec 10th. Cold & frosty
not much doing.

Dec 11th. took Mercury
Radio back to Toronto.
they say the battery was

the best. and went with
motors. say Spartan Electric
the best of all -

Dec 12th Fair & mild
doing odd jobs around,
the place.

Dec 13th. mild & cloudy
foggy at nights:
Smith started grinning.

Dec 14th mild light
showers started
unloading 5th car
of manure -

Dec 15th mild & cloudy
draining manure -

Dec 16. Weather same
mild & cloudy - went
for a short drive
in the afternoon.
