304 DAYS PAST WEDNESDAY 62 TO COME

Geriatric Aphorisms—No. 21.

Morphia is a powerful respiratory depressant in the aged. If given per os atropia should be given a few minutes before; if given hypodermically they should be given together.

No cardiac stimulants while compensation is complete.—
Nascher; Amer. Med.

Weather

Temp.

cloudy & started
to rain about 10, four, & is
raining quite hard now.
Maudie & I went down to
Mrs Bingham's & got a lot
of apples. Maudie went to
Cyprus this morning & got
their Cedar parcels & Quok
ran hides, that they got
tanned. John finished
ploughing the field
east of the south barn
