

22

July ^{the} 22 1903

23

We went down to Kingsville and got some lumber and thinned beets and Edgy went up to see Gravy

24

I plowed corn and went out to the mill with chap. Iacon was down to day I would like to get ~~up~~ up before breakfast in the morning

25

I took six hogs to harrow to aay they weighed 13.77 pounds I got \$68.75 for them and I plowed some corn too and shut a old pig to fat

26

We went up to church and the people did not know me yet be case I cut my mustash of

27

We plowed corn we finished one field and started a nother

28

We plowed corn it was hot to day

23

July ^{the} 29 1903

29

I plowed corn and plowed beets it was a hot day

30

I went out and got my pickets and made pig pen floors and a chicken coop

31

I hoed potatoes in the morning and dug ditch along the lain this after noon

August

^{the} I finished the ditch along the lane and planted my selery and plowed corn

2

We went up to Toms and to church

3

I helped wash and filed the saw and Daddy and mother Smeter was down

4

I did the choers and went up to S. Brown and bought three pigs and went to the corner
