

MONDAY, MAY 30, 1870.

Charley has been pulling the Hoe.  
Ernest has been pulling the field to day. Will has been cleaning out ditches to Hills. I sowed a lot of grass seed this forenoon. This afternoon I went down to Jarvis. I went on down to Dick's to see about the hired girl but was doomed to be disappointed again.

How mysterious are the paths by which we are led. It seems impossible to understand the dealings of God with us. But He says "What I do thou knowest not now but shalt know hereafter."

TUESDAY, MAY 31, 1870.

Charley has been pulling Charley again to day he finished up about twenty acres to night. I have got some small pieces and these we will be doing.

I went off this morning after James Barwick to help him. He came this afternoon. I called on the minister Mr. Oberwiesler who lives at the corner of our place this morning and had quite a pleasant and profitable talk with him about that which has nearest my heart, the Religion of Jesus. Nothing delighted me so much as this glorious subject.
