

if and were so tired we slept thru
Fannie Anderson had come up
here to sleep. Watson had taken
the folks for a trip before dark
and we missed that so thought
we would sleep on it instead.
But the bed was hard. I was too
crowded with Sarah on one bed.
Then went with Gordon & got in
cold.

Jun. 26th. Came home, studied lesson
for S. then got ready, went.
After S. went down & got Fannie
to come to church. Mr. Jeffrey's
from Clarksville preached. Couldn't
count how many times he took
off & put on his spectacles. Had
tea on boat. Patten & D. H. Gov family
except Mabel were up here to tea.
After tea we had such a lot of
visitors also after church.
