

On account of
rain last night
and this forenoon
we did not get
out to church
this forenoon as
we intended doing.

Maggie and I
went out this
evening however,
there being a
special song ser-
vice in our
church. Bro Cook
was officiated.

Was pleased
to learn this eve-
ning that our
request to leave
the circuit divi-
dion had been
accomplished at
the district mee-
ting.

Have been very
busy to day with
finds help draw-
ing manure for
the plow - trees
just set out,
and muddling
them well. We
succeeded in get-
ting them all
in good shape
for growing.
Thought it took
us until night.

Frank Marr and
his sister Bertie
came this evening
and are staying
over night with
us.

There is some
appearance of
rain this evening.
