

Monday January 16, 1922

Kent delivered mail on the Bay part and I delivered on the Elder. Bruce Seney cleared brush on the Gos line for fifty cents a day and his board.

The clover machine came this evening. The day was fine but cold and the roads are good.

Tuesday Jan. 17, 1922

Kent delivered on the whole route. Mr Colby came out on the 11:30 car and I took him down to the Hyatt Branch Drain in the afternoon. Dargall and I helped Tim. The day was very fine. The roads are good.

Wednesday Jan. 18, 1922

Kent delivered on the Bay part and I delivered on the Elder part. Bruce Seney worked at the line fence. It snowed a little last night and today. The roads are good.
