MON. NOV. 21, 1898

Wea.

I got up and made the fire, and prepared breakfast. The boys are away to school, after I had tidied up the house, I was busy doing some mending, and I made a pair of shoulder braces for myself. and they are just fine

TUESDAY 22

Wea.

The boys away to school today again, they attend pretty regular, I attended to the house work, and then I was busy fixing my coat and put the shoulder braces on them, it is very muggy weather, but turning colder tonight
