

'poor me' tried again  
I found it was not  
a 'bull-frog' but a  
severe attack of hoarseness  
which would not  
permit me to speak  
above a whisper; and  
has not yet gave me  
a permit (nine of the clock <sup>p.m.</sup>)  
Father, Mother, Susan and  
Essey Ann, went to the  
Concert, <sup>held</sup> for the good  
of the Church held in Evans  
Hall to night. G. G. and  
I would like to have  
went, but circumstances  
would not permit.  
Has been a cold day.
