JUNE FRIDAY 25 (177-189) 1920

It was a nice day I helped Mr Dault at the building

24 It was very warm I cut the grass on the roadside and went out to Drogmis for hay and brought him home

SATURDAY 26 (178-188)

It was quite warm we finished with mr dault building Dda and Jennet drove out to John for Laura but Harry brought her home

25 It was quite a nice day I drew a couple load of stone Joe & Ray cultivated at the corn we went down to Jim Lennat and to see the colts
