

23. W Bishop & Jess Shank came this  
morning Boys helped them & they took  
floor out of Reaper house & Built up  
A pile about 16 feet high till night  
I drove Man Bonnie to Burrows A.M.  
he was not at home I drove her to Cedar  
grove P.M. her leg is not well yet It  
cloudy driving at times A.M. some  
clear & warm P.M.  
24 Boy Chord A.M. find some fern P.M.  
B & Henry went fishing with Flavin in  
Paticat Creek towards evening at 2<sup>nd</sup> Con  
Pickering with our net they caught 29  
fine Duck Run there were a good many  
caught there yesterday & some some  
drivels of rain A.M. & P.M.  
J & Nancy went to Milk Dam A.M.  
25 W Bishop & Jess Shank worked at the  
Silo Building Boys all helped we are  
raising the building as high as the  
barn & are putting on a break roof  
north & south the plates are as high  
as the barn plates I took Butter &  
Egg to Lereins P.M. Nancy & Jerome  
went along as far as A.B. W. fine  
warm & clear. Man Bonnie much better  
Harris called A.M. for a bag of Lead Oats  
26 Henry helped Flavin at digging found  
stone & Benj's helped W Bishop

Apr 1901  
I Jess Shank I Chord A.M. he put  
on some Grafts at U Bridges &  
helped dig at Flavin P.M. W  
fine & clear I drove Man Bonnie  
to Burrows & to Cedar Grove P.M.  
27 A helped W Bishop & Jess Shank  
finish Silo except shutting the inside  
A.M. Henry was at Flavin all day A.M.  
there P.M. I was at Flavin A.M. he  
rolled Meadows P.M. J & Nancy went  
to U Bridges P.M. Reapers is pretty  
smart at present the little boys are  
all better W. very fine & clear  
Sunday 28 I & Nancy started to go to J.D.'s  
we got about half way when we met B  
Diller so we turned back they were here  
to dinner W. a very lovely & fine day  
Maggie McCright & Ann Wilroy  
called this evening  
29 A & Henry went to Flavin this morning  
we expected Ellis the Mason to begin the  
wall he did not come so we began the  
barn again I Henry removed the soil ground  
I took some Chop to Ben Diller brought  
a Barrel of Salt from Cedar Grove he  
Contributed East of Creek & below Creek  
P.M. I dug some garden for Nancy A  
worked in back garden W. fine & very  
warm things are growing nicely  
trees are budding the grass is growing
