FRI. FEB. 4, 1898

Wea.

It is milder today, as there is quite a change in the weather, I finished Lancies coat today, and attended to the other work, The boys are away to school. This has been the coldest week we have had this winter. All in good health.

Ther.

SATURDAY 5

Wea.

After I had made a fire I attended to the bread I baked bread and buns in forenoon, and after dinner George and I went to Brampton to see Uncle David. we were pretty late in getting home.
