TUES. JUNE 14, 1898

Wea.

I was a little late in getting up this morning, and so had to hurry up, I was making yeast the ~~soap~~ in the fore noon, and doing some cleaning in the milkhouse in afternoon, and transplanting some pansies, and helping Mother make the soup.

George, S. A. and W. Simelke went to the garden party.

WEDNESDAY 15

Wea.

I got up and made the fire, the boys went off to school, I was working outside this fore noon, bringing in the soap and it has made my hands very sore, and I was doing some cleaning up in the milkhouse, while washing and scrubbing.
