

17 The wind blew from the north to evening the snow was
 in air most of the day. Dan did chores & Dan

18 Dan went to Sand Bay for wood. He took the top of the
 in the middle field. I brought 4 1/2 bushels of
 Spence around for the cattle. It is badly spoiled.
 19 Very high wind with snow. Dan went out back to
 look at a pair of Lake Burnos he wants to buy it.
 20 Dan took the team to Sand Bay for wood. This
 morning he brought home a lot of wood. He came
 home to day the road was too bad to come.

22 Dan went to Sand Bay for wood.

23 Dan went to Sand Bay for wood. He began
 to draw the stack of hay in the middle
 field young Hephatic helped him.

24 Rev. Mr. Shore preached this morning.

25 A Hephatic finished drawing the stack.
 Dan helped Bruce to draw ice from the
 River. The ice is very poor.

26 Dan went to Sand Bay for wood. He went
 to Genanague for shingles for the house
 and brought 9000 cedar shingles for
 \$3.50 per thousand. For there very stormy
 in the afternoon rain & snow.

27 Dan drew 2 loads of Corduroy to day.

28 Snow about 6 inches last night and is
 still ^{draining} this morning. Dan did very little today.

29 Still storming. Dan split wood in the shed
 it was very stormy and of snow.

30 Dan did very little today. He is waiting for the
 to get better. He is waiting for the
