

July, 1931

19 Sunday. Fine warm day. We all went to Sunday school this afternoon and took Glenn over to Ezra Maurer's. We visited at Grandpa Krauter's and had our tea there. We brought home cherries, mulberries and black raspberries.

20 Monday. Heavy rains this forenoon. The men brought in 1 load of hay before the rain. The boys plowed this afternoon. Moses Brubaker (the new Bishop) and Abner Martin were here and brought Mollie the bay mare from Walter. Ella was busy canning.

21 Tuesday. Sultry. Rain tonight. Sam Horst helped and they brought in 12 loads of hay. Ella did the washing this morning and picked some raspberries in Reist's bush this p.m.

22 Wednesday. Fine day. Sam helped and they brought in 11 loads of hay. Walter mowed another piece. Ella picked berries again this afternoon.
