

500 for article in the evening. Dorothy and I against Charles & Nell and then I had a bath - wrote to Allie.

July 29th Warm. Charles, Jack, Clare, Dorothy, Dug
Sunday and Frances went to church at the Elgin
House and at 10 o'clock we went over to
the Elgin House so Dorothy could phone to
the Royal Muskoka to Keith Robinson. In
the afternoon (phone did not get through) we
started for the Royal Muskoka but found
we had no gas so moved home from
opposite Port Sandfield. At 5 o'clock
Charles, Dug, Frances and Clare moved
over to Dr. Wesley's with Dorothy for her
inoculation, got gas then to come home.
Quiet evening reading.

July 30th Very hot. The family, minus myself, went
Monday to Pt. Sandfield to buy supplies. Then we
all went to Royal Muskoka and after
some difficulty located Keith Robinson
