May 1

Jan is plowing in the thistle field it is a good deal warmer this morning. Stack coir of lists

2 Jan is plowing in same field

3 rain most of the day I went to the funeral of the wife of Mr. Carnott the Rev. Mr. Craig preached in the house cold damp day

4 Jan is drawing the old rails that was in the fence when we made the new one to Taburton town I have a sore headache

Money raised in the money

5 we cleared seed oats in the new Barn in the forenoon I went to Fairfax to Session meeting Henry Gordon and Mrs. Shields joined the church very few out

6 the Communion was held at Fairfax this afternoon Rev. Mr. Stone preached the church was well filled

7 Jan plowed where the thistles ^{10, 43} in the center field

8 Jan is plowing I sowed 1/2 bushel of thimble seed on the fall wheat I put it on 9 ridges begun at the east side

9 Jan is plowing late morning he finished that part of the field and began to sow & sowed 4 bushel of the little oats I drove the horses while he sowed

woods lack a little green

10 Sowed 3 bushel more rain in the afternoon

11 heavy rain most of the night we fixed the Barnyard fence could do nothing in the field ground too wet

12 Jan sowed 5 bushel of the small oats the ground ^{works} well

13 Rev. Mr. Stone preached Evening Mr. Baker in the morning

14 Jan sowed 7 bushel of the ^{10, 43} sterile oats on the south end of the middle field it was plowed out of the seed this spring drag up well I brack it in with the cultivator

15 Jan sowed 5 bushel more of the same oats I brack in with the cultivator fine day rather cold

16 Jan sowed 6 bushel of peas oats & barley mixed on the east side of Buckhead green

17 Jan got the wheeled cultivator and cultivated the Buckhead green where it was plowed last fall & plowed the remainder of the field

18 Jan sowed 5 bushel of the small oats I sowed timothy seed on the west side

1353

Jan

1. Dan and I went to the house of the potato house and I found out a lot of things that I had not heard of before. I found out that the house was very large that he helped me to find out some of the potatoes. Dan has done no work yet he went to Genoa with Rev. Mr. Shaw preached this morning.
2. Dan and I went to the middle line to bridge with the ground drages well.
3. Dan is plowing in the ends of the middle field they are east & west they are not enough.
4. Dan is plowing the end bridges and some near the bush of wheat on the north side.
5. Dan is plowing the end bridges and some near the bush of wheat on the north side.
6. Dan is plowing the end bridges and some near the bush of wheat on the north side.
7. Dan is plowing the end bridges and some near the bush of wheat on the north side.
8. Dan is plowing the end bridges and some near the bush of wheat on the north side.
9. Dan is plowing the end bridges and some near the bush of wheat on the north side.
10. Dan is plowing the end bridges and some near the bush of wheat on the north side.
11. Dan is plowing the end bridges and some near the bush of wheat on the north side.
12. Dan is plowing the end bridges and some near the bush of wheat on the north side.
13. Dan is plowing the end bridges and some near the bush of wheat on the north side.
14. Dan is plowing the end bridges and some near the bush of wheat on the north side.
15. Dan is plowing the end bridges and some near the bush of wheat on the north side.

collected
the 15th
Dan

we planted a bush of potatoes that is the first that we have planted in the garden I want to have a bush of potatoes in the garden with the corn.

10

10. Dan is plowing the end bridges and some near the bush of wheat on the north side.
11. Dan is plowing the end bridges and some near the bush of wheat on the north side.
12. Dan is plowing the end bridges and some near the bush of wheat on the north side.
13. Dan is plowing the end bridges and some near the bush of wheat on the north side.
14. Dan is plowing the end bridges and some near the bush of wheat on the north side.
15. Dan is plowing the end bridges and some near the bush of wheat on the north side.

1852

The Rev. Mr. Stone's Journal

- 3 Dan mowed some in the North field west side in the forenoon he went to Sand Bay with B. McShal with all hands I mowed in the afternoon it is all closer & heavy
- 5 raked and cacked the orchard Ellen & me went to Sand Bay Church opening Rev. Dr. Landin preached Rev. Messrs McQuaque and Grace addressed the people then there sea in the grove after pine day
- 6 we raked & cacked first piece that we cut in the north field it is in good order I raked a piece on this side it is heavier and greener we could not cack it had not time
- 7 heavy rain most of the day we got in the hay that was in the orchard before it came on there was two loads of it put it over the cow stable in the new pen
- 8 Rev. Dr. Landin preached this morning
- 9 we spread out some of the hay this morning Fred Johnson helped in the afternoon to draw in I raked
- 10 Johnson helped to draw in all day Tabie Coslaer helped in the afternoon got a good job done
- 11 we mowed over next the fall wheat I mowed Dan took it away with the fork it is so heavy it gathered in bunch and it is bogged & lying down fine worm day
- 12 we finished the cutting of the North field it is very heavy so that we can not rake it up till dries some
- 13 heavy rain last night Dan drew some dung rain still very little done Dan drew dung I attended our preparatory series & session meeting
- 15 Rev. Mr. Stone preached we had the communion here there was over 50 par took of it
- 16 we went out to the 6 on Dan brought home the cattle that was there I brought a load of sawdust for the milkshed Dan went to look for a man for to help to stack he come back after noon brought his Father with him we made a stack before 3 loads in it

heavy rain lost with heavy thunder

went to a stream to get water at the West end of them

some work done in the garden

we went to the mill

we went to the mill

July 15 we turned out all the heavy clover & shook it out then
I raked up with Mr Sawick's horse gear & his father
drew in 3 loads it is very good order

17 we put nearly 2 more loads the stack when it began
to rain we raked up the middle & had to wait they had in

20 we finished the stack this afternoon I turned over
the windrows & top of the stack in the forenoon they had

21 Dan went to Kingston to see the Shaver his father and
we raked & caked up what was left in that field
we had 50 cacks Mr Man nor man went home
at noon I gave him five dollars for his work &
his son Mr be worked 4 days being

22 I mowed in the middle field about one quarter of it
Dan cut rained the fences and hauled

24 Dan went with the cultivator through the potatoes
that we planted on Burns place in the forenoon
we then raked and caked what I mowed in the ^{center} field

25 I got Mr Wotts to help we began a stack in the middle
field put 2 loads in the bottom of the clover hay
from the north field & 4 from the middle field
that was all we had cut there is over 150 cacks

26 I mowed the south east quarter of the center field
Dan finished haying the potatoes on Burns place

27 I mowed part of the center field & Dan cultivated
some of the potatoes in the middle field in the forenoon
we raked & caked what I cut on Wednesday

28 Mr Wotts began to work this morning a wet day we also
- 10 bushels of wheat & 20 of oats Dan took them to Essex
with Wotts horse cart hauled for the horse farm

29 Mr Wotts & preached this morning on took from Stamps

30 we took the hay that was west of the stack and stowed up
the cacks this forenoon after dinner we got nearly
3 loads in the stack when it began to rain we piled up

31 at odd times Wotts bored posts holes in the north
side of the barn Dan & I mowed on the fence
boards today Wotts piled up the old stack both
East of the old Barn no hay within

1883

August 1 Dan took the old rails that on the long fence & fixed the race fence around the north field ^{of 15} being

the potatoes in the middle there was a misty rain

2 we finished the stack in the middle field ~~there was~~ loads

in it it is poor hay we put a good deal of salt on it

3 we drew 2 loads out of the middle field put them in the new barn

Watts had potatoes Dan cut the hay in the field in the East side south of the first ditch

4 Dan cut the ~~in~~ ^{part} center field north west corner

I raked the hay in field that Dan cut yesterday

Watts cooked it Dan finished our cutting to night

5 Rev. W. Stone preached at night

6 Dan & Watts made a stack bottom & drew 2 loads to it

I raked where Dan cut on Saturday and drew 5 loads into the new barn it is good hay

7 we finished the stack that was begun yesterday this

afternoon it is the best hay we have had this season

finished it got no rain they helped Bruce at his wheat in the

afternoon time day

8 Dan & Watts is helping Bruce to day with the team

hay drawn in his wheat a some hay fine day

9 Bruce brought out the reaper he cut our fall wheat and

Barley before dinner his two boys Dan & Watts bound

till noon it was so warm that the bands broke they

all went out to Bruce's barn in for him

10 Bruce's two boys & daughter's law came this morning &

bound up our wheat this fore noon then they all

went out to Bruce's & helped him I went to garage

with the net I got my plow home very warm day

11 Dan & Watts is mowing our fall wheat had three

4 half loads had half a load of barley they helped Bruce

12 Rev. W. Stone preached this morning

13 Dan is cultivating the summer fallow Watts being

14 Dan is drawing dung Watts is loading he drew 18 loads

15 So So So So uncle Rabb

came on the wire Mrs. Soble & Ellen Seatt came on

the express Dan & Watts is at the dung

16 Mrs. Soble & Ellen Seatt went to breakfast on the Express Dan & Watts is at the dung

1893

17 Dan advised Bruce to saw wood. Walt's helped half
the day he went to Bananogue for him self

18 Dan & Walt's at the clearing. There have been piling the hay good
in the evening in the night

19 Dan & Walt's finished the dung this forenoon. Dan drew one
load from Sautanusha market to finish the follow he
began to mow plow it. Walt's spreading the dung

20 Dan is sowing Walt's is cutting the black barley and Pennies
in the field. I get 3 loads of black & 4 of Pennies & spreading

21 Dan is plowing Walt's is cradling a swath round the
the oats where the Buckwheat was last year. Bruce
came with the Reeper and this afternoon fine day

22 Bruce is cutting the oats on the thistle piece his two
boys helped to bind. Dan & Walt's bound too after finishing the
summer fallow. there was a little rain this morning

23 Dan and Walt's went this morning help Bruce bind when
~~finished~~ they got it finished

24 Dan & Walt's drew in 3 loads of oats off the buck
wheat ground and banded some of the oats

25 Rev. Mr. Stone ordained Messrs. Donavan and Herbin-
son as Elders of our Session at Fairfax the church was well
filled

26 Dan & Walt's drew in a load & a half off the buck
wheat ground loads of the thistle piece

Walt's
finished
his mowing
today

27 they got in all that we had cut and ready
this forenoon & taped off the stack of hay in the
middle field they helped Bruce to doach in the afternoon

28 heavy rain last night. Dan and me drew 3
loads of oats from Burns's Barn and choned
them up we had 15 bags the ground is very wet

29 we drew 24 bags more of oats today cleaned
them up this forenoon. Dan took 24 bags of oats
to Escott Mill for to get ground for the bags this
afternoon he did not get them home with him

1883

Sept 1

Dan cradled the piece of oats that was left that to green this morning he then helped Bruce to draw in I went to Sand Bay to a ~~Supper~~ meeting church

2

the Communion was taken in the Sand Bay church

heavy rain then a large attendance 51 Communion fine ^{members}

3 Bruce and Boynton is helping Dan to hook the peas they finish them this afternoon

I am chafing a little of my

4 Dan went to Escall mill for the grist this morning he helped Bruce to draw in the afternoon

5

6 Dan cut some wood for Abies he helped Bruce to hook peas in the afternoon

6

7 Dan helped Bruce to draw in all day

7

8 Do Do Do they drew one load of oats that we had in left in the North field it ^{was} too green to cut when the rest ^{was} cut

rain last night

- 12 Dan plowed in the middle field I put in the seed
- 13 heavy rain last night Dan went to Genanague for the grain that he took last week I went with him to see Mr. Shore about other mortgage who get a deed from Gilbert that is the best thing
- 14 And Mr. Shore preached this morning Mr. Shore at night
- 15 Dan is plowing I am fixing things about the house

1883

Oct 17

Dan plows in the East middle field & gets the Beets and in the Grass in the Barn yard first

18

we picked up and dress of the stones in the field and

19

we dug on the South side of the middle field there was some very large ones we had the Glan at Sunday

20

Dan plows the East middle field and we

21

Dan is plowing in the East middle field and we

22

we are in the morning he

23

Dan is plowing & cut corn for the cows it has

24

we are in the legs of the corn & put it on the

25

then plow the morning and evening this Dan is

26

plowing now I cut and the cows every morning

27

Dan is plowing I went to the River as to

28

for a review to view a fence between Charles

29

Shapman & Simon Cross. W^m Robinson & W^m

30

Smith were the other review

31

Dan plows & I cut some corn for the cows

32

& finished digging the parness they are poor

33

Dan is plowing

34

Dan is plowing in the field between the

35

house at North & East corner of the field

36

I'll be done he plows & I am plowing

37

Dan is plowing the garden and

38

clearing out the middle of the garden

39

we are in the spring we put the cases

Nov 1 Dan cleaned out the furrows where
we plow on the stubble land

2 we went to a show, match on 11th exhibit
there was only one show it was a very
place for it and a cold raw wind

3 Dan plowed and scraped a short distance
on the first back of the old Barn & plowed
R. & M. Show grounds this morning

4
5 Dan plowed in field below the house
I worked at the harness cleaning Dan & the
old goat away it is bursting out the riding

6 Dan is plowing I went to funeral of Mrs. H. A.
Armstrong she was buried at the Elway Church
Rev. M. H. age preacher there was a large funeral

7 Dan plowed the garden the quarry men
expect the teacher to come on Friday

Dan plowed I fixed some grain for the
house the south side of the all come out

8 the same boys came this morning to work
they are in the fall & winter, that there
with 40 barrels of grain ~~of spirit~~ of spirit

10 Dan plowed the field & set out 163
he was now open and had a
a little more snow on the ground

11 Dan plowed the field & set out
the snow is now on the ground
the snow is now on the ground

12 Dan plowed the field & set out
the snow is now on the ground
the snow is now on the ground

14 the snow is 5 inches deep this morning Dan drove
let the farm with the sheep
Dan took 3 years to take
back some peas & water get you for the wool paid \$3.30 for 3 sheep
we went to Zananogue with the wool & 3 bags of

16 Dan drove more dung snowed 6 inches more
last night cold with high winds

17 Dan drove 2 loads of wood from the can &
from the road is good I went to Fairfax with
Mr. Show to a meeting of the Session & the family

1883
Nov-18

Ellen & me went Fairport to the Communion there was
as very large meeting the Communion there was
members of the Church new
members of the Church new

17 Dan went to Fairport with Bruce & they succeeded in
cutting off a few more of the snow nearly all gone

20 Dan plowed in the field north of the house

21 Dan Do

22 Dan Do I mounted the horse

I took Ellen to see Benjamin
young he very sick I do not think that he will
live long he is not able to sit up alone

23 Dan is plowing I am making a frame
for the Siller door fine day

25 Rev. Mr. Shore preached at night

26 Dan is plowing this forenoon very heavy
rain in the afternoon I went with Mr. Shore
to Fairport there was to be meeting of the Sission
about altering bounds there was no meeting

27 the ground is too wet ^{to do any thing out} it is freezing now
to come home on the midnight Express all well

28 David and Vine came on the midnight
Express Watt went down to Brackville on
the Lightning Express they are all well we
put in a new frame in the outside Sillorway
it was all water and the stair-way was caved
in we are going to build it up with Stone Dan has
them drawn for it it has been very stormy rain
and no water running down out doors

29 Dan took all the old straw from the
stable we put it in the yard & new straw for
the horse and the horses

30 Strong day Dan took the horse
and got wood from our woods

31 Dan drove wood that he had cut
there is a good deal of dead wood in the
park the thorn come at noon and
knocked a bushel of nuts

Three Fairport men and one from the
Lease & the Bay, looked towards the
house

1853

- Dec 1 Dan cut wood in our best and drew it to the house fine day
- 2 Rev. Mr. Stone preached this morning
- 3 Dan got more wood fine day
- 4 Dan and I fixed the door for the thrashers we expect them tomorrow they moved the show so that we can keep it all in they fixed the posts
- 5 the thrashers come at noon they finished the thrashing we had bushel of oats
- 6 Dan built up stone wall on the side of the cellar
- 7 Dan finished the walls this afternoon & went home
- 8 I finished the making of the steps for the cellar and got them in so that we can set on in from the outside I have to cover them in yet
- 9 Rev. Mr. Light preached this morning Mr. Stone at night
- 10 very stormy this morning I made snow for the cellar
- 11 Dan came home from his father's he helped him for three days he got wood and other things got ready for killing the hogs & brought the sheep home
- 12 we killed the hogs Bruce helped us fine day
- 13 Dan helped John Labiston to thrash with the team Sunday I finished covering in the cellar & went to seeing on the mill
- 14 Dan went to John Labiston's this morning they finished thrashing at noon we got wood after
- 15 Mr. Labiston preached this morning he is a student
- 16 Mr. Stone came home on the three steps off at Kingston on Saturday from Parry Sound to Bruce & I saw we have Dan & me clean up 9 bushel of the show what is the best of it we have 12 bags of oat interesting to go to the Mill tomorrow
- 17 very stormy this morning and all day we took the top of the snow & staked in the yard
- 18 we went to the mill to get 9 bushel of wheat and 12 bags of oat the mill is very nice Dan cut me
- 19 we went to Amos for a load of coal for the stove

Feb 21 1899

Dec 21 Dan on his sawing wood in his own

- 22 Do Do
- 23 Rev. Mr. Stone preached this evening
- 24 Dan cut and drew more wood it snowed about 5 inches last night with a misty rain most of the day, it is a good deal warmer than it has been Matt and Lizzie come on the Meid from Brackville this evening
- 25 no work to day
- 26 Dan drew 2 loads of wood from Abs left one at it & one here fine day Lilla came from Delta at night Mr. Jones & Son brought him in a cutter
- 27 Ad went to Delta with Donnoo to bring Kate home Wall had her in Brackville Dan drew a load of wood from Sand Bay
- 28 Dan cut some in our own woods
- 29 Dan thrashed the seed peas that was in the new Barn had 5 bushel cold day I attended our preparatory service there was very few out
- 30 Rev. Mr. Stone preached and had the Communion this was the first time at the tower church Mr. and Mrs. Services and Robert Thibodeau there was a good attendance very cold day

1884

- Jan 1 Jan went to San Bay to meet Bay and
one man who is like same and there came
~~some other men~~ ¹¹⁰ Small man from San Bay
was here all to eat dinner it was good to have them
- 2 Snowing all day no work
- 3 Snowing and blowing all day Jan went to Bruce to
help him to work it storm so that they die nothing
to do and so drifted that he did not come home
- 4 Jan came home this morning there is no snowing
on the Road our road is nearly as high as the fence
- 5 Jan split wood and shoveled snow at our
gate at the road it is as high as the fence
The Rev. W. D. High preached this morning 11th Storm at night
- 6 Jan helped Bruce to thrash the thrasher did
not come he came home after a while
- 7 Stormy day no work only taking care of the cattle
- 8 Jan went to Bruce's to thrash the very little
there chain kept breaking so shoveled the ^{road}
- 9 I went to the annual Meeting of our Agriculture
Society there was a good meeting for the State of
very stormy the rooms nearly all the old Board of Directors
for a week was put in again Jan went to Bruce's the track
wing and snow down again got very little done
- 10 Jan went to Bruce's to help to thrash they track down
we killed the young cow Bruce helped him winter day
- 11 Jan went to Bruce's to thrash they track part of the
horse power so that they will have to take it to
Brookville to get it fixed Jan came home after 4
- 12 Rev. W. D. High preached this morning
- 13 It is a fair snow in the remainder of the stack
that was left but 2 loads over he honors in winter
- 14 Jan went to San Bay for a load of wood ^{from}
only got a little Bay the road is nearly as high
- 15 Jan went to San Bay for wood he took it to
Bruce & B. Landon brought the horse power
& what a snow here this afternoon
- 16 Snowy day no work & they saw a big of tomorrow

Jan 18th I went to see the snow
and saw a lot of sleds on the top of the hill

in the village I brought 4 boxes of
spare harness for the cattle it is badly spoiled

20 very high wind with snow - Don went out back to
look at a pair of Sahn Bunnos he wants to buy it

21 Don took the team to Sand Bay for wood this
morning he brought home a piece of wood to come
home to day the road was too bad to come

22 Don went to Sand Bay for wood

23 Don went to Sand Bay for wood so began
to draw the stack of hay in the middle
field young Fleeghpie helped him

24 Rev. Mr. Stone preached this morning

25 Mr. Fleeghpie finished drawing the stack
Don helped Bruce to draw ice from the
River the ice is very poor

26 Don went to Sand Bay for wood so went
to Genanogue for shingles for the house
and brought 7000 cedar shingles for
\$3 50 per thousand for three very stormy
in the afternoon rain & snow

27 Don drew 2 loads of Corduroy to house

28 Snows about 6 inches last night and is
still ^{gathering} this morning Don did not go this morning

29 This morning Don split wood in the lot
it has been very stormy and of the
a lot of snow so that I have
to get the sleds ready for

2 Dan brought a load of wood this morning
and another at night took them both to the
house

3 Dan drew 1 load of wood this to day
4 Dan drew 1 load of wood this to day
to the house kept them all night

5 Dan brought a load of wood this morning
and another at night took them both to the
house

6 Dan drew 1 load of wood this to day
7 Dan brought 1 load of wood this forenoon
and another at night took them both to the
house

8 It began to blow and snow in the night and
stormed all day there is a fearful drift wind
from the east Dan came home this morning brought
a small load of wood I intended to send Bay to
the meeting of the session there was going it stormed so
very stormy day the roads all blocked up so that
we should not go to Sand Bay the Commission
did not take place there there was a blizzard
10 Dan went to Sand Bay with the harness his
father is going to work in his place he is looking about
some land we cleared up 5 bags of oats you took
them the day before he went across
11 Strong day no snow Dan and Bruce started
for the meeting in the morning before it began
12 Dan brought a load of wood this morning
the snow has got a great fall the roads are
13 Dan brought a load of wood this morning
in the afternoon I went to a session meeting at
14 Dan brought a load of wood this morning
15 Dan brought a load of wood this morning
Dan and his father is going to see the place
I went to see Dan into the court in the morning
the day of the trial was well done

9

10

Don went a horse of some 5 or 6 on the Express on the 1st of the month there was a great attendance of both men and elders and to your knowledge of the same

20 Don went to Sand Bay & banked out road steps all night there &

21 Don came home this afternoon brought a load of wood he banked in the forenoon He got some from Leath this afternoon He brought home two horses with they are large one 5 and the other 3 ye old a horse a man with pool do Puch on horse

22 Don and ^{Wagon} to Hbes for a load of hay for Walker the Roads is very bad & take 24 trees

23 Rev Mr Shore preached this morning

24 Don went to Sand Bay to bank out he came home on the Mice this morning he went to Haigs to the wife on Saturday night

25 I took care of the cattle fine weather

26 Do

27 He went to Eratt Mill ^{Do} 14 bushel of wheat ^{Do} and bags of ats the Road is very bad he took the Wagon he had Bruce's man & his own

28 I got some wood to take care of the cattle & to put away the flour and meal

29 my story his etc were a rain in the morn & being very fast frost at night

30 a came home from Sand Bay on night through and came on loan back

31 I took care of the sheeping at night

32 some little work done chopping & getting ready to saw wood & moving the closer bay out the little wood from under the cars

1857

1st of April
The ground is so hard to dig that I have
not been able to do much work
and I have been very busy

- 2 Snowed about 4 inches in
the forenoon and I took the horse power and
sawing part to it
- 3 Dan & I went to the pits with the waggon for a
load of the lower log the roads very bad
- 4 They snowed at it was today calm day
Bruce and his boys are Matties help
- 5
- 6 Mr. Moon a student from Kingston preached
this morning I took him to Kirfar Mr. Shore went to
Newburg & Camden to preach
- 7 Calm & clear day
- 8 Dan & Cairns shingled the south side of the house
& part of the north side fine day
- 9 Mr & Mrs came this morning they finished the
north side Dan went to Sand Bay for the chains and
brought 2 eighteen feet sticks from the sawmill
for Wallace wood shed fine day
- 10 Little rain Dan split some wood this forenoon then
him and I went to the pits for a load of Wallace log
- 11 Dan is covering the house with shingles
- 12 I went to Geneva with the Milk wagon Dan drew
stuff for Wallace in the forenoon split wood of Glenora
- 13 Rev. Mr. Lye preached this morning Mr. Shore at night
- 14 Dan went to Sand Bay to bank out wood one day
we had 2 pair of twins one of the full breeds & one half
- 15 Some rain this forenoon I went to the pits
came home on the merris
- 16 I brought from the pits 2 bushels of
and 1 bushel of Clover seed & 1/2 to the tomato ^{in the} 25
- 17 I let some water of the garden and other chores
- 18 I went to the pits with the milk wagon I dug and
planted 12 yambonee plants

21

Rev. W. Shaw preached this morning
to went to Delta with the milk wagon for a while
call from Delta Tracy Case Dan split wood in the
morning we were doing a the dirt that come out of
sell away into the garden both of the Bureau grapes
in the afternoon heavy frost & high wind

X

22 Dan is fixing up a to James He came home
this afternoon and brought the calf with him

23 He began to saw 900 cultivated he sawed 4 bush
of the White Russian Spring wheat he dragged

24 Dan went to a Bar of Humphrey Youngs to plow
He sawed 2 bushel more of the White Russian

25 He sawed 2 bushel of white Russian wheat that we
got from Rev. in Toronto on the 4 ridges west
of the other 6 bushel and 3 ridges from the west
fence ^{or} about 4 bushel of Astorian out north
half of the center field

26 they have sawed 16 bushel of the Astorian
in all the ground is in good trim

27 Rev. W. Jyph preached this morning W. Shaw at night
28 they finish the middle field He walked where
the fall wheat was lost eye as some the clover
midway he expects the fall wheat stable is
very stiff the clover is very hooped

29 they are cultivating & dragging the field below
the house and down square 12 bushel of Blue
oats that he got from James all went to the
lower ditch and that the ridges was East & West and
3 ridges that runs south & south west
they have a the one, 2000

Wed 1 I am is having with you thing to do a lame
back care to my leg

2 I am is having with you thing to do a lame

3 I am is having with you thing to do a lame

4 I am is having with you thing to do a lame

5 I am is having with you thing to do a lame

6 I am is having with you thing to do a lame
I went to the River with about 10 pick sickers
Robertson his daughter Janet Bessie & Jennie was
I went with him they went to the Bay very heavy rain in the
to get some more this morning dull today the carpenter
finished the beam they have been 21 days
working at the sickening & empty

7 I am is having with you thing to do a lame

8 I am is having with you thing to do a lame
I came home this forenoon I may say that he
has lost 2 days & Friday^{all} Monday^{all} Tuesday^{all} I went to the
Presbytery to Bellville the Rev W Shona resigned his charge
here to the Presbytery he has got a call from Brunsmick

9 I am is having with you thing to do a lame
I got home on the express all well the crows has took
up all our potatoes they are planting them over again

10 I am is having with you thing to do a lame
I finished planting the potatoes & began to weed a
course in the orchard

11 I am is having with you thing to do a lame
I finished cutting the orchard and cut a piece in the
north field west corner this day

12 I am is having with you thing to do a lame
I raked up the orchard & drew it in 3 small boats
they raked & cocked up the piece that was cut
Thursday it is the grass to draw in

13 I am is having with you thing to do a lame
I have been out of the house for some time
this forenoon I am home

14 I am is having with you thing to do a lame
Rev W Gordon preached this morning

15 I am is having with you thing to do a lame
I painted some. I am home for some time
Road side of the middle field

16 I am is having with you thing to do a lame
I was home for some time

17 I am is having with you thing to do a lame
I got & some went to some place

- 20 I shall be glad to hear of a letter
 & you were in the month of August
 for again you asked a number of
 21 we find the roof of the house the
 some of the rods & bolts & blasted the
 a beam of wood & some of the rods & I
 could not find any load put over the
 I saw the case it was in the way of
 22 Rev. Mr. Shore preached at night & read his resignation
 of his charge he is going St Johns & B to take charge
 of the Mission Stations we are all very sorry that
 he is leaving us he has done wonders for us
 23 I went to Kingston with Mr Shore he took his horse
 and Buggy to Bonanogue we then took the Boat
 and I drew in the hay that was in the water field
 24 I went through the potatoes with the cultivator
 & had them then was a little rain
 25 they went to Wallace's place & cut part of it and
 raked it up & drew it in from
 26 I mowed more at Wallace's they drew in 3 loads
 & raked with Maud fine day
 27 I finished mowing at Wallace's this forenoon
 & raked & I drew in all that was fit
 28 I raked & I drew in all that was left on
 Wallace's place I cut part of the north field
 & raked it in the afternoon they drove in 2 loads
 and took it to Wallace's stable
 29 I went to the mill with a load of wheat to the mill
 and went to the mill right up the mill
 Martin's wheat it was a bit of wheat
 I saw in the mill part on the P. side of the field
 I saw cut part of the other half wheat this
 afternoon it was a very heavy rain
 I saw in the wheat & the house
 I saw the drawing load & I saw a load to be up
 I saw that 3 loads that they took
 I saw the wheat right up the mill

4 - 7 Donegan helped Bruce in cutting the wheat
 Donegan & Bruce in the morning Sand Bay at noon
 Donegan & Bruce in the morning Sand Bay at noon

 Donegan & Bruce in the morning Sand Bay at noon

Mrs Kelly & daughter
 Corn front
 at Maunant
 on a visit

Bruce & 16
 Donegan came
 home young
 got in 2 loads
 of oats very
 hot day

Mrs Kelly
 went home
 on the Express

1884

August 19 Ad and Dan helped Bruce at his wheat rany warm day the ground is very dry

20 Dan helped the young this afternoon to draw in wheat Ad took the spaded heifer to the 6 concession
*in morning
first found wheat
will know something on the ground*

21 Dan harked peas very dry time Ad is at Bruce

22 Dan harking peas Ad finished cutting the oats in the field front of the house and cut some in the field

23 Dan harked peas Ad raked up the oats front of the house saw them in and some of the peas Ellen came from Glentwa on the Express she had the 3 children with her they are all well

24 we had no meeting I heard the young Hether's min.

25 they drew in 2 loads of oats Dan harked peas
*first in
one place
two or
more here*

26 little rain last night very little done this forenoon Dan worked at the peas in the afternoon

27 Ad finished cutting the oats that finished our reaping they then drew in 1 load of ~~oats~~ and 3 of oats very warm dry weather Bruce boy helps

28 they drew in 3 loads of oats and 1 of peas the time come of the Waggon yesterday they had to get it on this morning it was near noon before they

29 very heavy rain last night and this morning

30 very little work done Dan drew a load of veal for Wallaes since the cows got into Bruce's field

rain this morning Ellen. Emmet. Bessie Linn. and Nancy Stargelwood all went to Brockville on the Sixes this morning Dan went to see the Miller in the forenoon he then began to plow for Fall what were the old Bavis stand

31 we had no meeting I heard the young Hether's min.

1884

Sept 1

- 1 Dan plowed this forenoon Ad turned over the rats that was left in middle field they drew them in and I raked all the peas that were in the rat trap they then drew in ahead of peas fine day
- 2 I was taken with a cold chill in the night & could not get up Dan & Ad hooked & got in none of the peas Bessie and Phillia went to Kingston on the Express
- 3 Ad plowed Dan finished hooking the peas and ^{they} got them that finished our harvesting except the grass peas they are not fit to cut
- 4 Ad & Dan went out to the road & helped Bruce
- 5 David came on the Express from Perry Sound we met him here fine day
- 6 Dan helped Bruce all day Ad in the afternoon David and Bessie went to Delta
- 7 Dan plowed Ad did chores David & Bessie went to Delta on the Express fine day
- 8 Ad hooked the grass peas there is good crop of straw Dan plowed worm day Rev Mr Glyde came on the Express of McHullen met him & took him to ^{St. Michaels}
- 9 Rev Mr Glyde preached this morning & Jackson came for ^{he preached at Fairfax & Union}
- 10 Dan finished the plowing for the fall wheat and began to draw dung to it from the barnyard
- 11 Dan drew dung this forenoon then he drew in the grass peas ^{with} Bessie's boys helped him worm day Ad took Wm Scott Ellen & Bessie to Delta they took the wool to Sedonhurst to get it spun also
- 12 Dan is drawing dung I took the Cows to water this morning for the first time Monday week
- 13 they are drawing for the fall wheat very long time
- 14 Wm Scott and Ellen went home on the Express Ad went to Gananaque with Bessie in the afternoon Dan finished drawing dung from the wheat
- 15 Ad is thrashing wheat for to sow Dan is spreading dung on the wheat
- 16 I took Rev Mr Glyde to Fairfax & Sand Bay he preached ^{at my house} and Ad is now to seed wheat Dan cut the ^{seed} that he spread on the wheat it is very nice

ground is so rough they had to call for a horse
to pull the cart to Kings town
on the Merchant Express to Porebying

18 got home on the Express all well more to have
Regular Supply on Sabbath days it was a good meeting
they raised the wheat clean and the furrows then rolled
two rounds at the bottom one round in the middle and one
at the top of the pile to test the Swith or ruff
they cut up the corn in the garden from the station to the show
ground we got a cone
load from Sherburn Lake Besse came from Toronto

19 Dan is cutting corn it is helping to pack Besse from the
going to London in central India as a Medical Mission
She went on the Express to Brockville this afternoon

19 Dan is cutting corn I helped I Cook and Dan at the
Fair grazing we took up the lines & marked the places
for to put the posts the ground is very dry

20 Mads. Colt got is forward ^{leg} broke last night
or this morning we been fixing it most of the
day Mr Hanna put a plaster of Paris bandage on it
and splints I do not think it will do any

21 Mr Hyde preached this morning fine day

22 heavy rain most of the day Dan broke oats

23 we tried to put the Colt in a sling it would not do we
cut out of the bandage & saw a part of the bone of end
put on another plaster bandage & 2 iron splints on

24 Dan finished cutting the corn in the forenoon & drove home
with the pile in the afternoon

25 very heavy rain last night and this morning
they fixed the horse stable in the forenoon & drove
some large stones that was at the first ditch Dan fixed

26 Dan finished the plowing below the wheat and
is now busy to the top of the hill

27 I went to Perth on the Express to Brockville
Express to Perth Mr Small and me then got to
Perth dark then we will go to
Perth to see church Mr Smith & Edmund

28 I went to Perth on the Express to Brockville
Express to Perth Mr Small and me then got to
Perth dark then we will go to
Perth to see church Mr Smith & Edmund

John had one of the best chawm... you were in
some things...
you took me to home...
all night...
you took the... back to James

Long 3
Date
Month

3 you took the... Fair we...
they had a... Fair...
frank you & a good display of every thing...
Gobley in the Hall fell down & hurt a number of
people there was over 10 thousand in the ground
it is was said the ground was very muddy with the rain

4 Started on in point Train for Brockville got to
Brockville after the Express had gone got home on the...
all well glad to be home & thankful to God for all
his mercies
5

6 they are fixing for the fair few days I got the Bradley
boys to dig up some pebbles... the fence around
the grounds... day

7 fine day we took 5 sheep & cattle got Crank price & the
stock of fine wools on the way Calf 1 year old & 2
year old heifers it is the best fair we have had
in any way I was in the hall as usual fine day

8 I went home last night he did not come
back all the afternoon ran this morning

9 I was out up the Cross ditches then to end
the morning then out with the... it is the best
... day

10 I got you planned and scraped this morning
went to 2... with the...
and a horse... going to Henry...
I went to... & helped him to...
... home after dark...
another man with him with a...

1884

14

Don dug potatoes by cutter or dug up with a strong cutter it cut around many of the large potatoes they are small & small first plants saved & mine went away on the Express at noon

15 Don finished the potatoes it is loading David's luggage in a car he took his horse & a cow that he got from it it is the 2 year old that came in today

16 plowed the potato ground and picked up some of the small stones brought them up to the Barnyard

17 Don began to plow in the field below the house the ground is very dry and hard it is cleaning up the barns for the thrasher's fine day

18 Don is plowing it is fixing the Barns he making a bin in the ~~new~~ New Barn to hold the grain ^{that in it}

19 Rev. Tom Spencer preached this morning

20 Don plowed it & me fixed the country over the Salloway very dry time

21 Don is plowing it cleaned out some of the dry ditches north of the house & braced the fences along the road for the fence I made a flat ^{road} ~~road~~

22

My Green came with the thrasher this morning they started at noon and thrashed the wheat in the bushel the likewise a very good fine day

23 thrashed bushels of oats they then put the seed into the new barn & the grass thrashed bushel the Blank & Parley had bushel peas bushel

24 finished the peas they are now had bushel ^{we put in the straw}

25 Don plowed ground at the house ^{plowed}

26 Rev. Tom Spencer preached this morning

27 Don plowed Don plowed up to the ^{spring}

28 Don is plowing in a little below the house

29 40 40 40

30 Don finished the peas & put in the garden

31 I went to young with the great machine the lawnmowers that was left in the back before we came in the garden & put the ^{grass} & ^{weeds} they are very good they do not ^{cut}

1884

1 Jan drove in the few turp & hick there was only
two or three barrels of them he had placed his turp
redges next the east fence so came home with the
grit at dark it rained quite hard

2

3 I hear the Rev. W. Gifford this morning we had no time
to and Jan went out to the sixth con to stump and
plow I am fixing a door for the proctor of the house

4 I came home last & went back this morning they are
stumping and ditching the ground is very wet with snow

5 rain and snow mostly the day we put the cows in the sta
for the first time so went back early this morning Jan has stepped
the roads very rough so did not go back to day very

6 have frost last night everything is closed up is

7 so went back to the cherty this morning it very
windy & stormy looking

8 so went back to the Cherty this morning he is
ditching Jan is plowing Philow went him they
intend to bring the Pitt cow home they did so Jan
brought home a load of wood to Tharapone place

9 hear the Rev. J. J. preach we had none

10 so a son killed a hog this morning so moved
to Lampson house this afternoon Jan went to the
Cherty after to take a load of hay with him

11 so is fixing about the house getting things fixed
I am fixing stuff for to put in the moon window

12 I covered the grapes vines and other chones

13 so is fixing at home Jan is plowing at the Cherty

14 so went to the Cherty to ditch they did all that
they could do and come home at night Jan brought

15 Jan plowed in the North East corner of the farm
next John's tobacco the ground is very dry

so took 11 years to John Cook's South Lawn Barn

16 W. C. Hinson preaches this morning & at Fairfax in
afternoon

17 Jan plowed at night a horse from J. Glavin so
put in with hale he plowed in the afternoon along

18 heavy frost last night so that we plow Jan brought
but could do nothing he brought the plow home he
put it up with in the house here

1884

Dec 16 Lizzie was buried at the Stone Church ^{at the} west of
Mary Braden Beatty grave the Rev. W. Richards of N.Y.
preached a sermon in our own church it was a full
as it could hold they they left home at 12 o'clock
was a number of learners went to young with them they
got home about 7 o'clock at night very stormy day

17 best went to Brackville on the express to go to Delta
he took Philo with him cold day - no work done

18 voted for the Scott this morning there is a great
agitation about it for and against it fine day

19 very cold day I had to invest before I got the
chones done the Rev. W. Greaser came here with Dr
McKay he to preach for us two sabbaths

20 Little Wat and Billie came down from Toronto last
night they were at J. F. McDonalds sermon in
Billie went to Delta with Kate & the cutter that
Ellen. Robson. Dunker and Wat son & daughter
went to Brackville on the Mixed train this morning

21 Dr. McKay went to Fairfax this morning he preached
at Sand Bay at 12 & came at night Alex under Corbett
sent him there with his team
stormy day snow

22 I went for a load of wood ^{it rained again}
to Sand Bay for a load of wood ^{it rained again}
and Sabbath lessons
Book & pen left & rained most of the day
Bays 17 5 cents

23 I went for the sheep that he took to John Coates
Ran fine day

24 very stormy day Snow and wind all day

25 fine clear morning no work done

26 I split some wood and took care of the cattle

27 I went to the Chomby for a load of wood
it began to rain after he left home
most of the day after

28 Dr. McKay preached this morning

29 we killed the hags Dan Bradley and Bruce
Bays helped fine warm day

30 I cut up the two hags that was left here they
took to home

31 I took Lizzie to Ganarapo & killed the pork Sam Re
was all gone

1854

- Dec 1 Dan took the team out to the Shanty and drove in
2 Ellen logs & machinery sawmill for \$4 3 stable
and brought home a load wood yard & slaughtering
2 they began to draw the last years stack of hay
from the North field it is all done
3 they finished drawing the stack of hay Dan then
drew some of the rails from the road fence to the
middle fence to field North of the house & barn
4 we cleaned up 12 bags of oats & took them to grinders
mill at the outlet Dan left of work this morning
5 Ad worked at his stable at home I fixed in a door
sill in the front door for to the door to shut on
6 Ad took the plough to plow in the North field
he finished two ridges that was began before the
snow come there is too much frost and snow
7 Mr Smith & Student preach this evening James
wine & rain all day
8 Ad helped Bruce to thrash this afternoon rain in the
forenoon I fixed a new post at the road front of the barn
9 Ad helped Bruce to thrash they finished he had 900 bushel of
been fast
oats snow & rain most of the day I fixed some in the henhouse
this morning
10 Ad put putty around the chimneys on the roof and put
in a new bed piece in the cook stove this morning
11 I took care of cattle and other chores Ad is fine
at home
12 fixing the stable and other chores Lizzie
is very poorly the Dr says that her left lung is affected
13 ~~Ad~~ Linnet went for the Dr last night he was
here most of the night and Lizzie died this morning
nine minutes from five o'clock he could not think that
she was dangerous till a few hours before she
died Ad telegraphed to her father as soon as the office
was opened we were all in a very mournful state
14 Mr McKay a student preached this morning
15 Ad is things for the funeral her ^{father} got home on the
Express this afternoon he was just 8 hours on the road

24
on 11 Dan cut and drove the road wood that he could
man get in the bush & drove to the house Ad & me pile
Some of the outside wood out for the house

20 Dan drove Sam from the pit to bank the house
Ad & me finished all the windows they had all to
be made smaller & fit in it. the new lapping ^{the weather}

21 Dan is overhalling the old fence along the road of the
middle field & fixed some of the rails in the stables

22 Dan drove the old rails that did not fit to put up again
to the house for wood & Philo & him ^{Wanted the better}

23 Mr Sinton went to Fair for this morning Ad took him
he did not go to Sand Bay there was very heavy rain
most the day and night

24 Dan plowed two three furrows both sides of the post
that was set along the road Ad shovelled the furrows
Dan then plowed in the North East corner field
turned very cold and freezing hard with north wind

wind 25 Dan is drawing the corn staks that is behind the Barn
Snow - most
both day then he went to Bruce for the horsepaw & saw

26 they set the horse paw and saw and got a cutting fire

27 Ad & Dan with Bruce's Bay's & team sawed the
wood this forenoon Ad went to Zaronague for
wine for the Road fence in the afternoon fine day

28 they are fixing for beginning to put on the
wines put on some fine saw

29 they put on the rest of the wine along the road
of the middle field there had very little
off the two bunches of Barbic they lacked
some of the one bunch of Buckhorn to finish
the two rows on the top it was after dark before
they finished

30 Rev Mr Sinton preached this morning he is a
probationer he went to Fair in the afternoon

1835

Jan 20 Ad drew 2 loads of wood from the Chantry

he took them home Francis is cutting wood and taking care of the cattle he seems to be careful of ^{his} ~~his~~ ^{study}

21 Ad went to a wood here of M S. Caplands this morning Francis is cutting wood here & at Ad

22 Ad drew a load of wood this forenoon here he then went to Zaranogue with Kate & the cutter fine cold day the thermometer is 10 below zero

23 Ad drew 2 loads of wood he left them both here one was sled length the other cordwood

24 Ad drew one load of wood it is 6 feet long he made a bargain Dan and his Father cut the large timber that length the logs longer it is dead when the fire killed ^{it}

25 I went to the Sabbath School this morning it is the first time since I got hurt we had no Minister

26 Ad went for a load of wood to some Bay he got upset about on the Road near the middle field there a very high wind and drift

27 Ad brought a load of long wood and left it here fine day the weather is very heavy

28 very stormy day wind & snow first half day Ad went for a load of wood in the afternoon

29 Ad took oats and straw from home horse this morning he drew a load of wood here in the afternoon

30 Ad drew a load of long wood here this forenoon and a load of cordwood here in the afternoon Sunday

31 Ad drew a load of long wood for the draysaw he put it in the lane below the house and of cordwood here Sunday

23 (sawed) about 3 inches long
24 warm 30 a bargain Dan and his Father cut the large timber that length the logs longer it is dead when the fire killed it
25 that the heavy eyes is drop

1885

Feb 1 Rev. W. W. Cleave preached here at night.

2 He went to Escomb with Bags of oats to grind
~~As the pigs are scarce today~~

of the scarlet fever the Dr. Flannah was for 4 or 5 hours
lost night Emmet & grandma has been ^{up} most of the night

6 He went for a load of wood this forenoon he left it
He drew a load of wood he left one of them

7 He drew a load of wood ~~in the forenoon~~
and took the other home called ~~one day~~

51 He drew a load of wood in the forenoon
with Dr. Flannah
He left a load of wood with his father
He left a load of wood with his father

8 Rev. W. Cleave preach here this morning he got
Mr. Darling to him to Sand Bay & Fairfax at night

9 He and Abie was here of night Philow he a little corner
He brought a load this forenoon he took it home

10 it stormy all the afternoon snow & rain at night
rain most of the night snow and a heavy frost

11 He was here half the night with Philow he is very weak
He went to Brockville over the river get back on the Express

12 very stormy last night rain and snow with high winds
all night most of the day Mrs. Highcock came out to

see Philow he is very low the Dr. is here every night
He went to Brockville over the river get back on the Express

13 very fine forenoon snows and blew every ^{morning} breeze
Mrs. Highcock went home this morning Matt and Lizzy came

from Delta this afternoon Emmet came on the Express
to be home for dinner this is our healing day we were

fifty years ago when I got a present of a pair of
mounted Speck from little Matt from Penabrook they are

very fine ones. He and Abie Matt & Lizzy & Emmet all look dinner
together and had a good time Philow is again a deal better

14 the roads is very bad very little travel Emmet went to her
School at Glen Ruel on the river this morning

15 He drew a load of wood this morning

1885

Feb
15

we had no minister I attended the Sabbath school cold day

16 very stormy day with heavy fall of snow - all day
James Tomlinson he left home with the intention of going
to the English Church at half past seven o'clock he has not come
back yet ^{Mr} Charles Down scutter was taken from our chest
shed it supposes that he stole it they can get no account of it

17 the roads is completely blacked up Ad is doing the
choses he let out the cattle to water this afternoon they
was not out yesterday it was so stormy

18 Ad is fixing about the stables and Brown cold day
and sawing wood he has to cut wood for both of us

19 Ad is retiding the circular saw here and the
sack for the belt he leveled them put snow on
water about them so as to freeze them down

20 Don McNeil brought the horse power here Ad
leveled and put it in its right place then
put snow and water around it so as to freeze it

21 Bruce and Freeman Mr Inaull and a man
of Charly Stewarts come and they cut what
wood that Ad had here they filled the wood
shed cut more put it outside they took the saw to us

22 we had no minister I attended the Sabbath school

23 Ad sawed what wood he had at his house
and they took the saw Wallace went to file it
and that it was cracked

24 Ad drew a load of wood to Wm Thompson
this forenoon he then put part of his own wood
into his wood shed pine day

25 I went with James Mc Mullen to Hugh Mc Henry
and Samuel Donnan on church matters we
had Kate and Dods Culler pine day whole forenoon

26 Ad drew oats and straw from here to his
stable he has no hay for the horses

27 Ad drew 2 loads of wood to the stable pine day

28 Ad drew 1 load of wood there has a white
frost for three or four day the trees are every thing
is come with it it is quite warm & thawing

1885

Monday the Rev. Mr. Stenhouse preached here this evening Mr. Samuel
of the day in Bonanza came for him this morning took him to Fairfax
a little snow and Sand Bay and brought him back here at night

2 snow last night with a little frost and some today was
cleaned up 11 bags of wheat and 18 of oats for feed

3 AD went to Caroth with the grist he did not get the wheat
ground the mill was full of wheat he will not get till next week

4 snow this morning AD put away the ground feed
and other chores blustering day
