May WEDNESDAY, 15 (136—230) 1912

Their was quite a heavy frost I got the ground ready over the railroad, to sow.
16-1917 It was nice and cool we picked stone in the forenoon, and cut & swept some over the railroad Sam was here all night Mrs Gay & Dirt was here for tea

ASCENSION DAY (Quebec) THURSDAY, 16 (137—229)

I sowed the grain over the railroad it rained very hard in the afternoon
17 It was a cool day Fred drove Sam around and I spread my ~~barrison~~ barley manure with the spreader

4 FRIDAY, 17 (138—228)

It rained pretty much all day Robbie was back for dinner I just done the chores
18-1917 It was kind of threatening rain I spread manure and cultivated the piece back at the railroad, and sowed Freds Oats Fred helped Mr Hunter
