5 Monday. Cool and very windy. Walter butchered a big pig for Noah Miller and Noah was here for dinner. This p.m. Walter took a load of chopping to Alma. Vernon plowed all day.

6 Tuesday. Fine day. Walter was cultivating and Vernon plowed. Ella did the washing and picked a few berries in Reveto's bush but the berry season is pretty well over. Tonight Charles Miller entertained some of his friends to a hot dog and ice cream supper and Walter, Ella & Vernon were among those present.

7 Wednesday. Lovely day. Walter drew wood home from the bush and Vernon plowed.

8 Thursday. Fair, rather cloudy. Walter went to Emira this morning. She and her mother helped to thresh wheat at Noah Miller's and the machines moved here tonight.
