

oil separator & its tank at Wilsons Mill  
on a 6 walls foreign wheat chaff 430 lbs  
B dust. got lend Bob Kees tongs got  
about bit of pipe and in evening we changed  
the stove connection of residence putting  
stove back to old place again.

3

Tuesday

Not very frosty cloudy and sunny.

We put inch galvanized pipe through  
to pig pen from stable door trough to day. In  
PM I went over to Wilsons with fleet.

4

Wednesday

Very frosty last night sunny day thawing in sun. Wilkie  
down town with Jess AM got alcohol 10 cts we brought over load hay  
from other barn AM. PM Wilkie drove girls over to Mrs Wornhamers  
and Fords Mand and Kate went for them with Dan and Kate. We had Mand  
hitched in cutter first time to day drove her around No 4 several times.
