

Feb 10th 1874

They are drawing cedar
for to cover the bridges

Mary and Matt over to Jim

11 / Bred after 3 yearling heifers
to winter for him pleasant

day. Pa and Margaret

and Mary Ann went to

St. Falls. Belle Bell went home

12 / Drawing logs home for to

get saved with the drag

saw; drew 3 loads

Mr Ballantyne's folks were here

13 / Had John Street helping us;

but it rained so that we

only drew two load each in

the forenoon. Fixed the stable

where Charlie and Mr Ballan-

tyne's horse tore down the stall.

Between them last night.

Rained more or less all the

afternoon. Sleeping is going

fast.

Sat - Feb 14th

Beautiful day. Had Henry

Kathwell but there was so

much water on the Brook

and in the woods that we

only drew one load and just

he chopped at home until

noon. Pa took Mary Ann

home -

15 / The weather looks and feels

like Spring. B. Thompson

preached. Ch. largely attended

Jon. McCarthy Supper

16 / Pa and I drew 2 loads of

logs. Broke the Bob sled in the

A.M. and the double whiff

tree in the P.M. had to draw

around the road the water

is so deep on the ice in the

brook that we couldn't come

down the ice bank
