

Monday Dorothy's birthday - 22 years old to-day.
Feb. 14th - Cool - dull looking day. Raining in
the afternoon. Was at the office in a while
& at Mrs. Milne's. Took over some
account - in Mrs. Harper at tea time.

Tuesday Raining very hard in afternoon - but
Feb. 15th beautiful spring morning. Went down
at 10 a. m. to bank with P. D. collection
and to send for supplies. Went to office
and wrote a couple of letters - and did
the entries. Went down to Charlie's Street
in the afternoon (during rain) to give
news in Adelaide's letter. When I got
home found Mr. Breuegan had
frodden the bread so went - in it. Then
walked up and down the verandah
until Julius came home for tea. Had
a beastly pain in my shoulder which
got quite bad at tea time. Thunder
storm in the evening. Snow drops
just beginning to come up.

Wednesday Shoulder kept me awake all night.
Feb. 16th - Dr. Rannie came up in the morning.
