93 DAYS PAST

272 TO COME

When Prostration Is Marked.

Quite often the physician wishes to prescribe strychnia with iron, especially when anemia is marked; when the heart needs toning; after pneumonia, and in the after treatment of severe grippal infection.

℞ Strychniæ Sulph. (Gm.0.02) gr. $\frac{1}{3}$

Pepto-Mangan (Gude). (Cc.330—original bottle) $\frac{3}{4}$ xi
M. Sig.—Tablespoonful after each meal. Children in proportion.

Weather Cold grand frozen hard
enough to hold a person. Melba
drove Billy to the cart alone to
school. Maude was ill & couldn't
go. I baked bread & scones. Alfred
came up & I made him a little
boaf. Mr Thompsons had three
little figs to day. The roads
was so bad that they didn't
take the milk to our yard.
Eugene went to mill, to Kingmill
to get a great ground.
I have only seen one wagon pass.
Billy 5 Pally 9. Tell 3
