

May, 1931.

5 Tuesday. Fine warm day.
Jno. Bowman left after breakfast.
The men were seeding. Ella dug
half of the large bed and planted
onion and clarkia seed. Mr. & Mrs.
Ed. Bender spent the evening here.

6 Wednesday. Very warm & windy.
Vernon cultivated the garden today,
also took a load of chopping to Horadale.
Ella did the washing and planted
the early potatoes in the garden.
Walter & Ella cleaned up the wash-house.

7 Thursday. Warm & showery.
Vernon finished digging the large bed
in the garden and Ella planted the
gladiolus bulbs. Mrs. Geo. Koepke called.
Jno. Bowman came this afternoon to spend
the week end here. Walter spent the after-
noon at Noah Miller's and N. B. Hoffer's.

8 Friday. Dreary day. Walter
went to Elmira this morning. Callers -
Edmund Baerman, Louis Miller
and Norman Martin.
