

Done chores and drawing out
manure.
Fine and bright turning
cold towards evening.

TUESDAY, 21

(356-10)

Done chores and finished drawing
out manure.
Went to town in morning and got
Wiley shod. At institute at Della's
in afternoon.
Bright morning but dull in
afternoon and a cold east wind.

WEDNESDAY, 22

(357-9)

Done chores. Brock to town for
a load of coal in morning. Was
drawing in corn.
Brock chopping in afternoon.

Very dirty day. Sleetings and raining
at times all day very foggy.
