

Friday, January 16

- July 16th Finished drawing in hay off field next Dalzell's 11 loads
- 17 - Mr Stone Tracy and children came in their auto from Berlin
- 21st Drew 3 loads of hay to Wiffa's & one to Christ work.
- 22 - Mr Johnson came and helped to draw in hay.
- 22 - Finished drawing in hay from young orchard 13 loads making 47 loads of hay altogether.
- Started to cut Johnson's wheat in the afternoon.
- 23 - Cultivated mangels and corn, the corn being a fine crop and many places higher than my shoulders. A nice shower in the morning.
- 25 - Finished cutting wheat in Clump field a poor crop.
- Made a bonfire in the evening in orchard by the road.
- 26 - A beautiful day, Mary B. & I drove to Ash to have a visit with J. Dalzell and his wife, and drove home by Paris in the evening.
- 27 - Cut barley in 3 acre field in forenoon and started to cut mixed grain and Alaska oats in the afternoon.
- 28 - Finished cutting mixed grain (a good crop) Bessie made a party for Apple and Marguerite inviting all the little folks around, I borrowed H. L. Wainwright's camera and took a few snapshots of them and the girls.
- 29 - Brought the white heifer home from the bush.
- 30 - Drew in wheat from Clump field 6 1/2 loads. Sprayed the potatoes & some of the young trees in the evening.
