

paths and walks all
through them. There are a
lot more flowers coming
out now, than when we
first came here. picked
up a few more cones. We
are getting quite a collection
They have been getting
pretty cold weather in
Burlington. reported 10 to 22
below zero on Jan 16th
Jan 21st went back to Mission
Cliff Gardens today
saw the Pheasants, Peacocks
and some small deer.
Charlotte Davis had some
slides, swirlys etc.
and had a good time

Jan 23rd Sunday. Fine
and warm this morning
but colder this afternoon
but bright not a cloud to
be seen, went to Balboa
again this afternoon
went through the part of the
Museum. were all the
stuffed birds, shells etc
were. it was the best
collection I have ever
seen of birds and animals,
also all kinds of wood,
pine cones, dried flowers
shells of all descriptions
some as large as saucers
and some you could hardly
see
