

June 13<sup>th</sup> - Tuesday. I helped Dorothy clean out -  
Wednesday the drawers in her chest and wash  
stand. Too much for Dorothy I am  
afraid as her temperature ran up to  
100 1/5. Duncan and Mr Caldwell &  
Charles played tennis. Dorothy sat up to  
watch the game until her temperature  
rose then she went back to bed. Mrs  
Agnes Milne called to get Dr. Kumpf's  
address as Mrs. Nellie has rheumatism.

Half  
Holiday. Mr. Caldwell came up to see Dorothy  
who is quite discouraged over the  
in fever. Men started to put up new fence  
to-day. Charles, Jack & Duncan here in  
afternoon.
