184 DAYS PAST

TUESDAY

182 TO COME

Dangerous and Non-Dangerous Disturbances of the Heart—No. 1.

Tachycardia gives rise to more persons thinking they have serious heart lesions than any other causes as it so frequently occurs in persons of a decided nervous temperament whose apprehensions are more easily awakened than one of a different temperament.—Baker; Vermont Med. Journ.

Weather

Temp.

Cold this morning &  
rained last night. I  
went to Aymer, took Maude  
Thompson with me got  
more paint & pulley hooks  
Mr Chalk finished putting  
the track in the east  
lawn. John went to  
Aymer to get his mower  
knives sharpened. Maude  
went to her lesson in  
French. Guy & Corinda  
started drawing up milk  
Marion B. Billey 5-
