

Ther.

TUES. MAY 17, 1898

Wea.

I kept Lencie home this forenoon again, we planted the red heart beans, and some more potatoes, he went to school after dinner, and S. A. and I went to the missionary quilting, there was a big crowd there about 35 in all, they quilted two quilts one tweed one

Ther.

WEDNESDAY 18

Wea.

I rose early and got Lencie to help me wheel some manure, we planted some more beans of the later kind George dropped them for us before they went to school, I finished planting the potatoes and corn, I also planted some parsnips and flower seeds, and took

of the beans  
some manure
