147 TO COME

## Obstinate Hiccough.

Joedicke has the patient draw up both legs so as to be fully flexed at the knees and hips, holding them pressed hard against the abdominal wall, so as to push the viscera as far as possible up against the diaphragm. He has seen this method give immediate relief in every instance of several cases.—*Prescriber.*

Weather

Temp.

Cool all day & rained a little & night it rained quite a little. Maudie & I went to Aylmer & Maudie had some teeth filled. This afternoon, Maudie and Kulla went & Kulla had some teeth filled. Got Mariah's shop. I was a - Mrs Arnolds, Mrs Blues, Mrs McSays a few minutes to help & I be sat the wheel all over

Billey's Mariah to
