108 DAYS PAST

258 TO COME

May 6, 1907.

Dr. M. H. Carmedy, Painesville, Ohio, says:

"I have used **Pepto-Mangan** for the past eight years in numerous cases of anemia, chlorosis, and as a tonic, with splendid results in all."

May 8, 1907.

Dr. J. Ramsay Flood, Chicago, Ill., says:

"I am an extensive user of your **Pepto-Mangan**. It is the best blood enricher in the market."

A very warm day Mrs  
came back last night  
& she & the Doctor was  
here for supper. John started  
to work the field east of the  
woods. Kate came in  
last night. Mrs took Mella  
up for the first. Mrs ironed  
for me today Maudie started  
to school. She passed with  
honors
