

Aug. 14<sup>th</sup> Tuesday Real raining day. Pouring. Had a fine  
fire in the fireplace, Jack and Charles read.  
Nell, Dory & Frances came up after lunch  
& we played bridge. Nell, Clare, Dory & I and  
Jack <sup>Charles</sup> went for the mail <sup>+ for soaking wood</sup>. In the evening  
we all went out to Pt. Sandfield for the  
mail. I changed to Nell's boat at the  
dock and we went for a run around  
the lake. The rest went in Jack's boat.  
When we returned (cleared up beautifully)  
we again practiced bridge and Nell,  
Dory, Frances & Bessie went home late in  
their boat. I wrote to Mrs. Graham & Mrs. S.  
Small.

Aug. 15<sup>th</sup> Wednesday Dory and her dad got up at 6.30 to go to  
Gravenhurst. (Cool morning but warmed  
up somewhat later although cool all day out  
of the sun) They walked to Pt. Sandfield  
but found the bridge had blown open so  
came back and took Nell's putt putt  
(Good thing Charles has learned to run it!)
