

Fri July 18. Fine and very cool. Annie came home and her Aunt Lizzie came. Willie and Grant came and took us for a drive about eighteen miles a perfect night.

Sat July 19. Fine bright and a little warmer, a perfect day but a little dusty. N.W. wind. Mrs Davidson came home, Doctor here. I went down in eve. for new tonic, & 1.

Sun July 20. Fine and moderately warm. I went to morning church. Auntie gets up about noon, every day, got out in eve.

Mon July 21. Fine and moderately warm. Washed. quite dusty.

Tue July 22. Fine and extremely sultry, our warmest day so far. Strawberries over and Raspberries coming in.

Wed July 23. Fine and very warm but not so sultry. Doctor here. I went to Luncheon at Lizzies with Boyle girls and Annie. home about 5:30. Mary Watson called also Mrs Ashby. picked a few berries off our patch.

Thur July 24. Fine and quite warm until 10:30 P.M. came a storm and very heavy rain for couple hours then gently until near morning.

Fri July 25. Fine and quite cool after heavy rain. Willie called, I called to ask for Mr Wm Bowers. Mrs Davidson and I for a walk in the evening. an ideal cool day.

Sat July 26. Fine morning then started to rain about 2 P.M., a heavy downpour, thunder and lightning, cleared at 4 P.M., Mrs Mason and Lizzie called.
