JULY TUESDAY 10 (191-174) 1923

very warm day I worked at tearing down the old Young kitchen and Wilbur Nicholson helped me in the afternoon we finished taking it down tonight very tired

WEDNESDAY 11 (192-173)

fine warm day around Village all day not feeling very well I took my car up to Laird garage and got on new timer wires tonight and did some writing

JULY THURSDAY 12 (193-172) 1923

very warm day I fixed up my car in the forenoon and took John McKinley down to Lyndhurst to get Mr. Trail the sheriff from Brockville we came back up to Roy Stafford and he made a Seizure on farm & Chattles we went from there up to Wesley Staffords and took time back to Lyndhurst John and I came around by Morton home. stoped at Elllas for a while and stoped at Will Somerville on our way home I did some writing in the evening.

FRIDAY 13 (194-171)

warm day I got up early this morning and went over and opened the Bank for the men to get out the Safe. I had a late breakfast I went back over to bank and Mr Currie and I spent most of the forenoon changing the Combination on the Vault door up to Bleday most of the afternoon rained a little tonight
